2 Bedroom, 2.00 Bathroom, 1,222 sqft

Condo / Townhouse on 0.00 Acres

Windermere, Edmonton, AB

HUGE & stunning 1222 sq.ft. 2 bedroom + DEN, 2 bathroom unit in a CONCRETE & STEEL adult only 18+ building. The best part of owning this property? It is SOUTH facing with a VIEW OF THE POND! Talk about tranquility! This quiet unit has so many desirable features like the 10 foot ceilings, quartz counter tops throughout (including a waterfall edge in the kitchen), kitchen cabinetry & backsplash to the ceiling, heated tile floors in the en suite, an abundance of pot lights, & TWO UNDERGROUND stalls! You will love that view from the second you enter your new home, & you can see it from every room except the den. The open concept of the kitchen, dining area, & living room makes the condo feel even larger. The primary bedroom is large enough for a king suite, & the second bedroom is also a good size. This is the perfect property for someone looking for a quiet place to call home while being walking distance to tons of restaurants, shopping, pathways, & more, with a full-service gym steps from your unit door!

Built in 2019
